Optional Spare Battery	Purchase additional batteries in order to insure non-stop data collection during critical operations.	TE-BAT	\$30
Optional Protective Cover for HT630	Provides additional protection against damages due to drops. Also includes a sturdy shoulder strap with metal bolt-clip attachment hardware.	TE-PT060	\$50
Utility Belt for Scanner with Take-up Reel and Clip	With the utility belt, your portable terminal will always be at hand and ready. Manufactured from mountaineering-grade black nylon webbing and Fastex-type nylon buckle, this belt is double-thick and stiffened on the right-hand side to handle heavy loads without deforming. The belt also includes a 35" long take-up reel in it's own belt pouch - so you can reach your portable terminal almost anywhere without having to unhook.	TE-BELT	\$66

Optional Multi-Slot Battery Charger	Allows for faster battery recharging than standard charging cable provided with Track'Em. Available in 2 slot or 4 slot versions.	TE-CRG-2 or TE-CRG-4	2 slot - \$120 4 slot - \$210
Optional Communications / ChargingCradle	Provides faster data downloads of portable barcode scanner data than standard communications cable provided with Track'Em. Uses power supply & USB cable provided with portable scanner.	TE-COMM	\$80
Additional Memory for Portable Barcode Scanner	4.5 MB required for systems containing 10,000+ records. Allows you to collect more data with portable barcode scanner between downloads. Sorry - memory can only be added at the factory prior to shipment. Not a user installable option.	TE-MEM-45	\$100
Track'Em Training	Let our experts help you get up and running faster. This is a 2 hour LIVE one-on-one training class. The class leader connects to and runs Track'Em on your computer while speaking with you on the telephone. The class is informal allowing you to ask as many questions as you like. Requires internet connection. Call for appointment. On-site training and installation also available. Call for pricing.	TE-TRN	\$250
Label Upgrade	<p style="text-align: center;">Link for prices to upgrade to weather-proof poly labels</p> <p style="text-align: center;">Price for upgrade = price shown on pre-printed label page less \$35 (cost of standard roll of 500 Format 1 paper labels)</p>
